at com-
peting.

And
beside,
Shiro

Fine
by me.
It's more
exciting
when you're
serious.

I'm sorry
but this
will be
my win.

Yeah
...

Shiro
is just
a be-
ginner,
but you
haven't
played the
game that
much either,
have you?

but back in
my school days,
I was so in to
the game that
it ate up my
sleeping time.

Also...

I haven't
played it
ever since
I became
a working
adult,

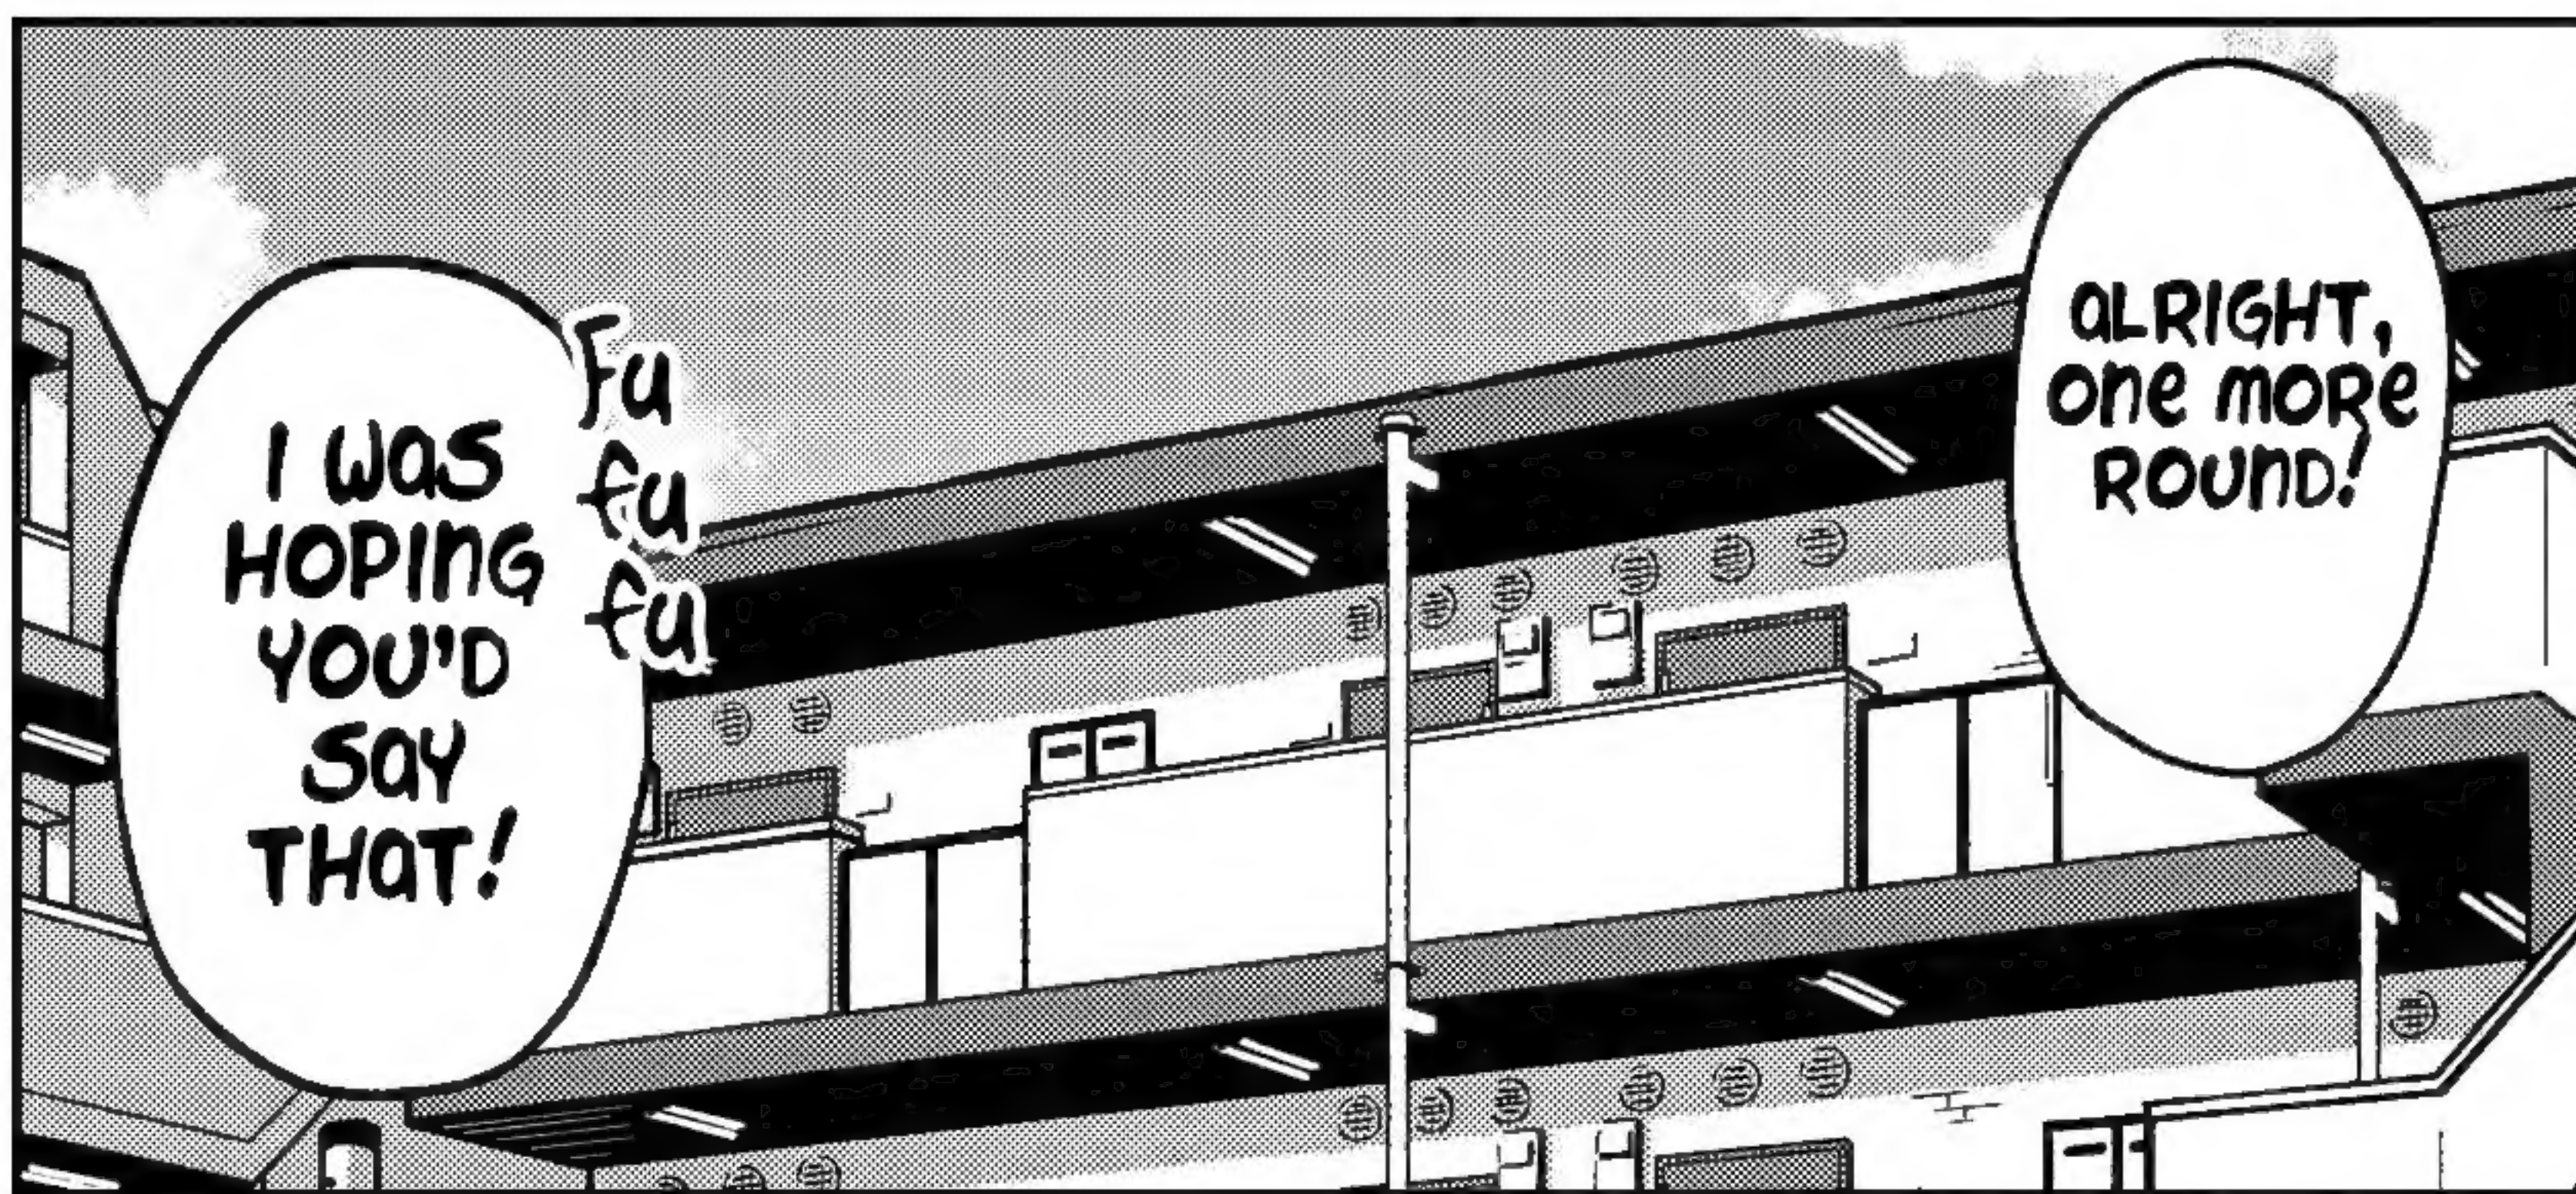

Come!!

I WANT
TO EAT
THAT
OHAGI!!

Putting your heart into playing is fun, isn't it.
